There are 4 P7's continuing with their transition from their primary setting. This happens either weekly or on a fortnightly basis, depending on their individual needs.		
OH will be taking part in Wallace High's Mental Health Week, beginning on Monday 4th February. Apart from the Seniors, Group one, 2 and 3 will be following their daily mindfulness programme. Other activities with mainstream and OH are being planned.		
The next OH coffee morning is planned for Thursday 7th February, when the new OT, Katy Mather will be sharing her plans with Parents/Carers.		
Exciting Garden Update!! Discussions are continuing with FES, now that permission has been granted for levelling, paving and landscaping our OH planting area. This is fantastic news and our sensory garden plans will be able to fire into action. I really hope to spend time with each group, planting the seeds for their ideas about what they would like to plant, decorate and develop their sensory garden, so they can enjoy, learn and benefit in all ways!!		
If you would like to know anything more, please get in touch via our PTN page.		
With thanks
